

Nomination Form

Successful relationships between grocers and their vendors are win/win. Effectively merchandising products to sell off the shelves profits both companies.

How to Nominate

The Washington Food Industry Association invites you to nominate a vendor company for creating a successful relationship that results in an increase of sales.

Complete the form on the back of this announcement and return it to WFIA by Wednesday, February 1, 2017. Add pages to the application to include newspaper clippings and articles if available.

The annual WFIA Vendor of the Year Award recognizes a vendor company who has excelled as a partner with the independent grocery industry, made achievements within their field or industry, and contributed their skills as an involved WFIA member.

Nominating a vendor is a tremendous way to honor their contributions and accomplishments.

Recognition

The recipient(s) of the WFIA Vendor of the Year Award(s) will be notified in April 2017. A press release and media event will be scheduled in advance to announce the award.

Final honorees will be featured in the special e-alerts, in the President's e-newsletter and on wa-food-ind.org
