Good Afternoon WFIA Members,

At our recent WFIA Board Meeting, we were asked to change the formatting in our grassroots system, VoterVoice, to be mobile-friendly. We always try to accommodate our members' requests whenever possible. We understand the importance of keeping up to date with the newest and best technologies. We listened to your suggestions, and we have updated the system! Now you can help with our advocacy efforts directly from your phone no matter where you are. We are very excited to offer this new format, and we hope you find it easy and user-friendly.

You can easily sign up by sending the "keyword" to either of the numbers below. Once you have done that, you will be added to the list to receive text message alerts when we are requesting your assistance with our important issues. If you have any questions, feel free to reach out to Catherine Holm at 360-753-5177 x 104 or catherine@wa-food-ind.org.
